ARTICLE I: RECITALS

1.1 Property Covered. The property potentially subject to this Declaration of Covenants, Conditions and Restrictions for Patagonia Subdivision (“Declaration”) is the Property legally described in Exhibit A attached hereto and made a part hereof (the “Property”). Grantor intends to develop the Property in stages. The first phase of Patagonia Subdivision is hereby made subject to the terms of this Declaration, and is described as follows: Patagonia Subdivision No. 1, according to the plat thereof recorded on October 21, 2016, as Instrument No. 2016-101281, in Book 110 of Plats at Pages 15809 through 15811, official records of Ada County, Idaho, a copy of which is attached hereto as Exhibit B (the “Phase 1 Plat”). The Common Area lots in Phase 1 are as reflected on the Phase 1 Plat.

1.2 Residential Development. Patagonia Subdivision is a residential development, which Grantor currently intends to develop in phases. Certain portions of the Property may be developed for quality detached single-family residential homes. The Property may contain parcels of Common Area, including water, park, open space, and recreational and landscaping facilities. Any development plans or schemes for the Property in existence prior to or following the effective date of this Declaration are subject to change at any time by Grantor, and impose no obligation on Grantor as to how the Property is to be developed or improved.

1.3 Purpose of Declaration. The purpose of this Declaration is to set forth the basic restrictions, covenants, limitations, easements, conditions and equitable servitudes (collectively “Restrictions”) that will apply to the entire development and use of all portions of the Property. The Restrictions are designed to preserve the Property’s value, desirability and attractiveness, to ensure a well-integrated, high-quality development, and to guarantee adequate maintenance of the Common Area, and the Improvements located thereon in a cost effective and administratively efficient manner.

ARTICLE II: DECLARATION

Grantor hereby declares that the Property, and each lot, parcel or portion thereof, is and/or shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied and improved subject to the following terms, covenants, conditions, easements and restrictions, all of which are declared and agreed to be in furtherance of a general plan for the protection, maintenance, subdivision, improvement and sale of the Property, and to enhance the value, desirability and attractiveness of the Property. The terms, covenants, conditions, easements and restrictions set forth herein: shall run with the land constituting the Property, and with each estate therein, and shall be binding upon all persons having or acquiring any right, title or interest in the Property or any lot, parcel or portion thereof; shall inure to the benefit of every lot, parcel or portion of the Property and any interest therein; and shall inure to the benefit of and be binding upon Grantor, Grantor’s successors in interest and each grantee or Owner and such grantee’s or Owner’s respective successors in interest, and may be enforced by Grantor, by any Owner or such Owner’s successors in interest, or by the Association.

Notwithstanding the foregoing, no provision of this Declaration shall be construed as to prevent or limit Grantor's right to complete development of the Property and to construct improvements thereon, nor Grantor's right to maintain model homes, construction, sales or leasing offices or similar facilities on any portion of the Property, including the Common Area or any public right-of-way, nor Grantor's right to post signs incidental to construction, sales or leasing.

ARTICLE IV: GENERAL AND SPECIFIC RESTRICTIONS

4.1 Structures – Generally. All structures are to be designed, constructed and used in such a manner as to promote compatibility between the types of use contemplated by this Declaration.

4.1.1 Use, Size and Height of Dwelling Structure. All Building Lots shall be used exclusively for purposes allowed on the final plat which includes said lot.

4.1.2 Architectural Committee Review. No Improvements which will be visible above ground or which will ultimately affect the visibility of any above ground Improvement shall be built, erected, placed or materially altered on or removed from the Property unless and until the building plans, specifications, and plot plan have been reviewed in advance by the Architectural Committee and the same have been approved in writing. The review and approval or disapproval may be based upon the following factors: design and style elements, mass and form, topography, setbacks, finished ground elevations, architectural symmetry, drainage, color, materials, physical or aesthetic impacts on other properties, including Common Areas, artistic conformity to the terrain and the other Improvements on the Property, and any and all other factors which the Architectural Committee, in its reasonable discretion, deem relevant. Said requirements as to the approval of the architectural design shall apply only to the exterior appearance of the Improvements. This Declaration is not intended to serve as authority for the Architectural Committee to control the interior layout or design of residential structures except to the extent incidentally necessitated by use, size and height restrictions.

4.1.3 Setbacks and Height. No residential or other structure shall be placed nearer to the Building Lot lines or built higher than permitted by the Plat in which the Building Lot is located, by any applicable zoning restriction, by any conditional use permit, or by a building envelope designated either by Grantor or the applicable Architectural Committee whichever is more restrictive.

4.1.4 Accessory Structures. Detached garages shall be allowed if in conformity with the provisions of this Declaration, and as approved by the applicable Architectural Committee. Garages and storage sheds shall be constructed of, and roofed with, the same materials, and with similar colors and design, as the residential structure on the applicable Building Lot. No playhouses, playground equipment, pools, pool slides, diving boards, hot tubs, spas, or similar items shall extend higher than five (5) feet above the finished graded surface of the Building Lot upon which such item(s) are located unless approved in advance.

4.1.5 Driveways. All access driveways shall have a wearing surface of asphalt, concrete, or other hard surface materials, and shall be properly graded to assure proper drainage.

4.1.6 Mailboxes. All mailboxes will be of consistent design, material and coloration and shall be located at places designated by Grantor, U.S.P.S, or the Architectural Committee.

4.1.7 Fencing. All fencing shall be vinyl fence of taupe color. Fences adjacent to common areas may be black wrought iron or powder-coated chain link. No fence, hedge or boundary wall situated anywhere upon a Building Lot shall have a height greater than six (6) feet above the finished graded surface of the Building Lot or Common Area upon which such fence, hedge, or boundary wall is situated. Any fence or boundary wall constructed on or near the lot line common to one or more Building Lots shall be constructed as a "good neighbor" fence or wall. No fence shall be constructed so as to extend toward the front of the Building Lot past the front plane of the dwelling structure constructed thereon, or closer than ten (10) feet to any side Building Lot line of a corner of a Building Lot adjacent to a dedicated street and shall be in compliance with applicable Kuna City ordinances. All fencing and boundary walls constructed on any Building Lot shall be of compatible style and material to that other fencing constructed adjacent to or abutting Common Areas, public and private streets, and shall otherwise be as approved by the applicable Architectural Committee.

4.1.8 Lighting. Exterior lighting, including flood lighting, shall be part of the architectural concept of the Improvements on a Building Lot. Fixtures, standards and all exposed accessories shall be harmonious with building design, and shall be as approved by the applicable Architectural Committee. Lighting shall be restrained in design, and excessive brightness shall be avoided. Exterior garage lighting shall be attached or operated by photo cell.

4.1.9 Garages. Each dwelling unit shall have an attached or detached fully enclosed garage adequate for a minimum of two (2), and a maximum of five (5) standard size automobiles. No carports shall be allowed.

4.2 Insurance Rates . Nothing shall be done or kept on any Building Lot which will increase the rate of insurance on any other portion of the Property without the approval of the Owner of such other portion, nor shall anything be done or kept on the Property or a Building Lot

which would result in the cancellation of insurance on any property owned or managed by any such Association or which would be in violation of any law.

4.3 No Further Subdivision. No Building Lot may be further subdivided.

4.4 Signs. No sign of any kind shall be displayed to the public view without the approval of the applicable Architectural Committee, except: (1) such signs as may be used by Grantor in connection with the development of the Property and sale of Building Lots; (2) temporary signs naming the contractors, the architect, and the lending institution for a particular construction operation; (3) such signs identifying Patagonia Subdivision, or informational signs, of customary and reasonable dimensions as prescribed by the Architectural Committee may be displayed on or from the Common Area; and (4) one (1) sign of customary and reasonable dimensions as prescribed by the Architectural Committee as may be displayed by an Owner other than Grantor on or from a Building Lot advertising the residence for sale or lease. A customary "for sale" or "for lease" sign not more than three (3) feet by two (2) feet shall not require Architectural Committee approval. Without limiting the foregoing, no sign shall be placed in the Common Area without the written approval of the applicable Architectural Committee.

4.5 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere upon the Property, including Common Area or vacant Building Lots, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to the Property or to its occupants, or to any other property in the vicinity thereof or to its occupants. No noise or other nuisance shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to the Property or to its occupants or to other property in the vicinity or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes which have been approved by the Association), flashing lights or search lights, shall be located, used or placed on the Property without the prior written approval of the Association.

4.6 Exterior Maintenance; Owner's Obligations. No Improvement shall be permitted to fall into disrepair, and each Improvement shall at all times be kept in good condition and repair. In the event that any Owner shall permit any Improvement, including trees and landscaping, which is the responsibility of such Owner to maintain, to fall into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, or damages property or facilities on or adjoining their Building Lot which would otherwise be the Associations' responsibility to maintain, the Board of the Association, upon fifteen (15) days prior written notice to the Owner of such property, shall have the right to correct such condition, and to enter upon such Owner's Building Lot for the purpose of doing so, and such Owner shall promptly reimburse the Association, as the case may be, for the cost thereof. Such cost shall be a Limited Assessment and shall create a lien enforceable in the same manner as other Assessments set forth in Article IX of this Declaration. The Owner of the offending property shall be personally liable, and such Owner's property may be subject to a mechanic's lien for all costs and expenses incurred by the Association in taking such corrective acts, plus all costs incurred in collecting the amounts due. Each Owner shall pay all amounts due for such work within ten (10) days after receipt of written demand therefore, or the amounts may, at the option of the Board, be added to the amounts payable by such Owner as Regular Assessments.

Each Owner shall have the remedial rights set forth herein if the applicable Associations fail to exercise their rights within a reasonable time following written notice by such Owner.

4.7 Grading and Drainage. A site plan indicating the proposed grading and drainage of a Lot must be approved by the Architectural Committee before any construction is initiated. Lot grading shall be kept to a minimum and Buildings are to be located for preservation of the existing grade(s). Builder is expressly responsible to ensure proper drainage and run off from said Building Lot.

4.8 No Hazardous Activities. No activities shall be conducted on the Property, and no Improvements constructed on any property which are or might be unsafe or hazardous to any person or property.

4.9 Unsightly Articles. No unsightly articles shall be permitted to remain on any Building Lot so as to be visible from any other portion of the Property. Without limiting the generality of the foregoing, refuse, garbage and trash shall be kept at all times in such containers and in areas approved by the applicable Architectural Committee. No clothing or fabrics shall be hung, dried or aired in such a way as to be visible to other property, and no equipment, heat pumps, compressors, containers, lumber, firewood, grass, shrub or tree clippings, plant waste, metals, bulk material, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any Building Lot except within an enclosed structure or as appropriately screened from view. No vacant residential structures shall be used for the storage of building materials.

4.10 No Temporary Structures. No house trailer, mobile home, tent (other than for short term individual use), shack or other temporary building, improvement or structure shall be placed upon any portion of the Property, except temporarily as may be required by construction activity undertaken on the Property.

4.11 No Unscreened Boats, Campers and Other Vehicles. No boats, trailers, campers, all-terrain vehicles, motorcycles, recreational vehicles, bicycles, dilapidated or unrepaired and unsightly vehicles or similar equipment shall be placed upon any portion of the Property (including, without limitation, streets, parking areas and driveways) unless the same are enclosed by a structure concealing them from view in a manner approved by the applicable Architectural Committee. To the extent possible, garage doors shall remain closed at all times.

4.12 Sewage Disposal Systems. No individual sewage disposal system shall be used on the Property. Each Owner shall connect the appropriate facilities on such Owner's Building Lot to the Kuna City Sewer System and pay all charges assessed therefore.

4.13 No Mining or Drilling. No portion of the Property shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing water, oil, gas or other hydrocarbons, minerals, rocks, stones, sand, gravel or earth. This paragraph shall not prohibit exploratory drilling or coring which is necessary to construct a residential structure or Improvements.

4.14 Energy Devices, Outside. No energy production devices, including but not limited to generators of any kind and solar energy devices, shall be constructed or maintained on any portion of the Property without the written approval of the applicable Architectural Committee, except for heat pumps shown in the plans approved by the Architectural Committee. This paragraph shall not apply to passive solar energy systems incorporated into the approved design of a residential structure.

4.15 Vehicles. The use of all vehicles, including but not limited to trucks, automobiles, bicycles, motorcycles and snowmobiles, shall be subject to all Association Rules, which may prohibit or limit the use thereof within Patagonia Subdivision. No on-street parking shall be permitted except where expressly designated for parking use. No parking bays shall be permitted in any side, front or backyard. Vehicles parked on a driveway shall not extend into any sidewalk or bike path or pedestrian path.

4.16 Animals/Pets. No animals, birds, insects, pigeons, poultry or livestock shall be kept on the Property unless the presence of such creatures does not constitute a nuisance. This paragraph does not apply to the keeping of up to two (2) domesticated dogs, up to two (2) domesticated cats, and other household pets which do not unreasonably bother or constitute a nuisance to others. Without limiting the generality of the foregoing, consistent and/or chronic barking by dogs shall be considered a nuisance. Each dog in Patagonia Subdivision shall be kept on a leash, curbed, and otherwise controlled at all times when such animal is off the premises of its owner. Such owner shall clean up any animal defecation immediately from the Common Area or public right-of-way. Failure to do so may result, at the Board's discretion, with a Limited Assessment levied against such animal owner. The construction of dog runs or other pet enclosures shall be subject to applicable Architectural Committee approval, shall be appropriately screened, and shall be maintained in a sanitary condition. Dog runs or other pet enclosures shall be placed a minimum of ten (10) feet from the side and/or rear Building Lot line, shall not be placed in any front yard of a Building Lot, and shall be screened from view so as not to be visible from Common Area or an adjacent Building Lot.

4.17 Landscaping. The Board and/or applicable Architectural Committee may adopt rules regulating landscaping permitted and required. In the event that any Owner shall fail to install and maintain landscaping in conformance with such rules or shall allow such Owner's landscaping to deteriorate to a dangerous, unsafe, unsightly or unattractive condition, the Board, upon fifteen (15) days' prior written notice to such Owner, shall have the right to correct such condition and to enter upon such Owner's property for the purpose of doing so, and such Owner shall promptly reimburse the Association for the cost thereof. Such cost shall be a Limited Assessment and shall create a lien enforceable in the same manner as other Assessments as set forth in Article IX.

Following commencement of any construction of any Improvement, construction shall be diligently pursued and completed as soon as reasonably practical. All landscaping on a Building Lot, unless otherwise specified by the applicable Architectural Committee, shall be completed as soon as reasonably practical following completion of the residential structure on such Building Lot but in all events shall be completed within 30 days of first occupancy. The initial landscaping shall include, as a minimum, sod in the front and rear yard, at least one two-inch (2") caliper tree in the front yard in addition to the street tree installed by Grantor between the sidewalk and the curb, three

(3) five-(5)-gallon plants and five (5) one-(1)-gallon shrubs in the front yard. The use of berms and sculptured planting areas are encouraged.

4.18 Exemption of Grantor. Nothing contained herein shall limit the right of Grantor to subdivide or re-subdivide any portion of the Property, to grant licenses, to reserve rights-of-way and easements with respect to Common Area to utility companies, public agencies or others, or to complete excavation, grading and construction of Improvements to and on any portion of the Property owned by Grantor, or to alter the foregoing and its construction plans and designs, or to construct such additional Improvements as Grantor deems advisable in the course of development of the Property so long as any Building Lot in the Property remains unsold. Such right shall include, but shall not be limited to, erecting, constructing and maintaining on the Property such structures and displays as may be reasonably necessary for the conduct of Grantor's business of completing the work and disposing of the same by sales lease or otherwise. Grantor shall have the right at any time prior to acquisition of title to a Building Lot by a purchaser from Grantor to grant, establish and/or reserve on that Building Lot additional licenses, reservations and rights-of-way to Grantor, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. Grantor may use any structures owned by Grantor on the Property as model home complexes or real estate sales or leasing offices. Grantor need not seek or obtain Architectural Committee approval of any Improvement constructed or placed by Grantor on any portion of the Property owned by Grantor. The rights of Grantor hereunder may be assigned by Grantor to any successor in interest in connection with Grantor's interest in any portion of the Property, by an express written assignment recorded in the Office of the Ada County Recorder.

4.19 Water Rights Appurtenant to Subdivision Lands. Water shall be provided by the Kuna Municipal water system.

4.20 Commencement of Construction. Any Owner of a Building Lot shall, within a period of one (1) year following the date of purchase of a Building Lot from Grantor, commence the construction of a dwelling structure in compliance with the restrictions herein, and such construction shall be completed within six (6) months thereafter. The term "commence the construction" as used in this paragraph, shall require actual physical construction activities upon such dwelling structure upon such Building Lot.

4.21 Roof Material. See Exhibit C.

ARTICLE V: PATAGONIA SUBDIVISION HOMEOWNERS ASSOCIATION

5.1 Organization of Patagonia Subdivision Homeowners Association. Patagonia Subdivision Homeowners Association, Inc. ("Association") shall be initially organized by Grantor as a nonprofit corporation under the provisions of the Idaho Code relating to nonprofit corporations and shall be charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws and this Declaration. Neither the Articles nor the Bylaws shall be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

5.2 Membership. Each Owner, by virtue of being an Owner and for so long as such ownership is maintained, shall be a Member of the Association and no Owner shall have more than one membership in the Association. Memberships in the Association shall be appurtenant to the Building Lot or other portion of the Property owned by such Owner. The memberships in the Association shall not be transferred, pledged, assigned or alienated in any way except upon the transfer of Owner's title and then only to the transferee of such title. Any attempt to make a prohibited membership transfer shall be void and will not be reflected on the books of the Association.

5.3 Voting. Voting in the Association shall be carried out by Members who shall cast the votes attributable to the Building Lots which they own, or attributable to the Building Lots owned by Grantor. The number of votes any Member may cast on any issue is determined by the number of Building Lots which the Member, including Grantor, owns. When more than one person holds an interest in any Building Lot, all such persons shall be Members but shall share the votes attributable to the Building Lot. For voting purposes, the Association shall have two (2) classes of Members as described below.

5.3.1 Class A Members. Owners other than Grantor shall be known as Class A Members. Each Class A Member shall be entitled to cast one (1) vote for each Building Lot owned by such Class A Member on the day of the vote.

5.3.2 Class B Members. The Grantor shall be known as the Class B Member, and shall be entitled to ten (10) votes for each Building Lot of which Grantor is the Owner. The Class B Member shall cease to be a voting Member in the Association when the total cumulative votes of the Class A Members equal or exceed the total votes of the Class B Members so long as the Property has been fully platted, provided that the Class B membership shall not cease before the expiration of ten (10) years from the date on which the first Building Lot is sold to an Owner.

Fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter being put to a vote. When an Owner casts a vote, it will thereafter be presumed conclusively for all purposes that such Owner was acting with authority and consent of all joint Owners of the Building Lot(s) from which the vote derived. The right to vote may not be severed or separated from the ownership of the Building Lot to which it is appurtenant, except that any Owner may give a revocable proxy, or may assign such Owner's right to vote to a lessee, mortgagee, beneficiary or contract purchaser of the Building Lot concerned, for the term of the lease, mortgage, deed of trust or contract. Any sale, transfer or conveyance of such Building Lot to a new Owner shall operate automatically to transfer the appurtenant voting right to the Owner, subject to any assignment of the right to vote to a lessee, mortgagee, or beneficiary as provided herein.

5.4 Board of Directors and Officers. The affairs of the Association shall be conducted and managed by a Board of Directors ("Board") and such officers as the Board may elect or appoint, in accordance with the Articles and Bylaws, as the same may be amended from time to time. The Association shall have the power to do any and all lawful things which may be authorized, required or permitted to be done by the Association under Idaho law and under this Declaration, and the Articles and Bylaws, and to do and perform any and all acts which may be necessary to, proper for, or incidental to the proper management and operation of the Common Area and the Association's other assets, including water rights when and if received from Grantor, and the performance of the other responsibilities herein assigned, including without limitation:

A copy of the Association Rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner. Upon such mailing or delivery, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration. In the event of any conflict between such Association Rules and any other provisions of this Declaration, or the Articles or Bylaws, the provisions of the

Association Rules shall be deemed to be superseded by the provisions of this Declaration, the Articles or the Bylaws to the extent of any such inconsistency.

5.5.1.5 Emergency Powers. The power, exercised by the Association or by any person authorized by it, to enter upon any property (but not inside any building constructed thereon) in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by the Association.

5.5.1.6 Licenses, Easements and Rights-of-Way. The power to grant and convey to any third party such licenses, easements and rights-of-way in, on or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment of the Common Area, and for the preservation of the health, safety, convenience and the welfare of the Owners, for the purpose of constructing, erecting, operating or maintaining:

The right to grant such licenses, easements and rights-of-way are hereby expressly reserved to the Association and may be granted at any time.

5.5.2 Duties. In addition to duties necessary and proper to carry out the power delegated to the Association by this Declaration, and the Articles and Bylaws, without limiting the generality thereof, the Association or its agent, if any, shall have the authority and the obligation to conduct all business affairs of the Association and to perform, without limitation, each of the following duties:

Such taxes and Assessments may be contested or compromised by the Association, provided, however, that such taxes and Assessments are paid or a bond insuring payment is posted prior to the sale or disposition of any property to satisfy the payment of such taxes and Assessments. In addition, the Association shall pay all other federal, state or local taxes, including income or corporate taxes levied against the Association, in the event that the Association is denied the status of a tax exempt corporation.

5.5.2.11 Water and Other Utilities. Acquire, provide and/or pay for water, sewer, garbage disposal, refuse and rubbish collection, electrical, telephone and gas and other necessary services for Patagonia Subdivision Common Area, and to manage for the benefit of Patagonia Subdivision all water rights and rights to receive water held by the Association, whether such rights are evidenced by license, permit, claim, stock ownership or otherwise.

No Member of the Board, or member of any committee of the Association, or any officer of the Association, or the Grantor, or the manager, if any, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on the account of any act, omission, error or negligence of the Association, the Board, the manager, if any, or any other representative or employee of the Association, the Grantor, or the Architectural Committee, or any other committee, or any officer of the Association, or the Grantor, provided that such person, upon the basis of such information as may be possessed by such person, has acted in good faith without willful or intentional misconduct.

5.7 Budgets and Financial Statements. Financial statements for the Association shall be prepared regularly and copies shall be distributed to each Member of the Association as follows:

5.7.1 A pro forma operating statement or budget, for each fiscal year shall be distributed not less than sixty (60) days before the beginning of each fiscal year. The operating statement shall include a schedule of Assessments received and receivable, identified by the Building Lot number and the name of the person or entity assigned.

Said easement shall remain free of all encroachments and obstructions (including fences and trees) which may adversely affect the operation and maintenance of the storm drainage facilities.

6.3 Drainage. There shall be no interference with the established drainage pattern over any portion of the Property, unless an adequate alternative provision is made for proper drainage, and is first approved in writing by the Architectural Committee and ACHD. For the purposes hereof, “established” drainage is defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion of the Property is completed by Grantor, or that drainage which is shown on any plans approved by the Architectural Committee and/or ACHD, which may include drainage from Common Area over any Building Lot in the Property.

ARTICLE VII: RIGHTS TO COMMON AREAS

7.1 Use of Patagonia Subdivision Common Area. Every Owner shall have a right to use each parcel of Patagonia Subdivision Common Area, which right shall be appurtenant to and shall pass with the title to every Building Lot, subject to the following provisions:

7.1.1 The right of the Association to levy and increase Assessments;

Any Owner may delegate, in accordance with the respective Bylaws and Association Rules of the Association, such Owner's right of enjoyment to the Patagonia Subdivision Common Area, to the members of such Owner's family in residence, and such Owner's tenants or contract purchasers who reside on such Owner's Building Lot. Only Grantor or the Association shall have the right to delegate the right of enjoyment of the Patagonia Subdivision Common Area to the general public, and such delegation to the general public shall be for a fee set by Grantor or Association.

7.4 Damages. Each Owner shall be fully liable for any damage to any Common Area which may be sustained by reason of the negligence or willful misconduct of the Owner, such Owner's resident tenant or contract purchaser, or such Owner's family and guests, both minor and adult. In the case of joint ownership of a Building Lot, the liability of such Owners shall be joint and several. The cost of correcting such damage shall be a Limited Assessment against the Building Lot and may be collected as provided herein for the collection of other Assessments.

ARTICLE VIII: PRESSURIZED IRRIGATION

8.1 Irrigation District Service. Pressurized irrigation will be provided to each home by the Kuna Municipal water system. Homeowners will be billed directly by the City for potable and irrigation water.

ARTICLE IX: ASSESSMENTS

9.1 Covenant to Pay Assessments. By acceptance of a deed to any property in Patagonia Subdivision, each Owner of such property hereby covenants and agrees to pay when due all Assessments or charges made by the Association, including all Regular, Special and Limited Assessments and charges made against such Owner pursuant to the provisions of this Declaration or other applicable instrument.

9.1.1 Assessment Constitutes Lien. Such Assessments and charges together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment or charge is made.

9.1.2 Assessment is Personal Obligation. Each such Assessment, together with interest, costs and reasonably attorneys' fees, shall also be the personal obligation of the Owner of such property beginning with the time when the Assessment falls due. The personal obligation for delinquent Assessments shall not pass to such Owner's successors in title unless expressly assumed by them but shall remain such Owner's personal obligation regardless of whether he remains an Owner.

9.2 Regular Assessments. All Owners, excluding the Grantor, are obligated to pay Regular Assessments to the treasurer of the Association on a schedule of payments established by the Board.

9.2.1 Purpose of Regular Assessments. The proceeds from Regular Assessments are to be used to pay for all costs and expenses incurred by the Association, including legal and attorneys' fees and other professional fees, for the conduct of its affairs, including without limitation the costs and expenses of construction, improvement, protection, maintenance, repair, management and operation of the Common Areas, including all Improvements located on such areas owned and/or managed and maintained by such Association, and an amount allocated to an adequate reserve fund to be used for repairs, replacement, maintenance and improvement of those elements of the Common Area, or other property of the Association that must be replaced and maintained on a regular basis (collectively "Expenses").

9.2.2 Computation of Regular Assessments. The Association shall compute the amount of its Expenses on an annual basis. The Board shall compute the amount of Regular Assessments owed beginning the first day of the third month following the month in which the closing of the first sale of a Building Lot occurred in Patagonia Subdivision for the purposes of the Association's Regular Assessment ("Initiation Date"). Thereafter, the computation of Regular Assessments shall take place not less than thirty (30) nor more than sixty (60) days before the beginning of each fiscal year of the Association. The computation of the Regular Assessment for the period from the Initiation Date until the beginning of the next fiscal year shall be reduced by an amount which fairly reflects the fact that such period was less than one year.

9.2.3 Amounts Paid by Owners. The Board can require, in its discretion or as provided in the Articles or Bylaws, payment of Regular Assessments in monthly, quarterly, semi-annual or annual installments. The Regular Assessment to be paid by any particular Owner for any given fiscal year shall be computed as follows:

9.2.3.17 As to the Association's Regular Assessment, each Owner shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the Building Lots attributable to the Owner by the total number of Building Lots in the Property.

9.3 Special Assessments.

9.3.1 Purpose and Procedure. In the event that the Board of the Association shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of such Association for any reason, including but not limited to costs of construction, reconstruction, unexpected repairs or replacement of capital improvements upon the Common Area, attorney's fees and/or litigation costs, other professional fees, or for any other reason, the Board thereof shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the

portions of the Property within its jurisdiction which shall be computed in the same manner as Regular Assessments. No Special Assessment shall be levied which exceeds twenty percent (20%) of the budgeted gross Expenses of such Association for that fiscal year, without the vote or written assent of the Owners representing a majority of the votes of the Members of such Association. The Board shall, in its discretion, determine the schedule under which such Special Assessment will be paid.

9.3.2 Consistent Basis of Assessment. Every Special Assessment levied by and for the Association shall be levied and paid upon the same basis as that prescribed for the levying and payment of Regular Assessments for such Association.

9.4 Limited Assessments. Notwithstanding the above provisions with respect to Regular and Special Assessments, a Board may levy a Limited Assessment against a Member as a remedy to reimburse the Association for costs incurred in bringing the Member and/or such Member's Building Lot into compliance with the provisions of the governing instruments for Patagonia Subdivision.

9.5 Uniform Rate of Assessment. Unless otherwise specifically provided herein, Regular and Special Assessments shall be fixed at a uniform rate per Building Lot for all Members of the Association.

9.6 Assessment Period. Unless otherwise provided in the Articles or Bylaws, the Assessment period shall commence on January 1 of each year and terminate December 31 of the year in which the Initiation Date occurs. The first Assessment shall be pro-rated according to the number of months remaining in the fiscal year and shall be payable in equal monthly installments.

9.7 Notice and Assessment Due Date. Ten (10) days prior written notice of Regular and Special Assessments shall be sent to the Owner of every Building Lot subject thereto, and to any person in possession of such Building Lot. The due dates for installment payment of Regular Assessments and Special Assessments shall be the first day of each month unless some other due date is established by the Board. Each monthly installment of the Regular Assessment or Special Assessment shall become delinquent if not paid within ten (10) days after the levy thereof. There shall accrue with each installment that is not paid within thirty (30) days after the due date a late fee of \$25.00. The Association may bring an action against the delinquent Owner and may foreclose the lien against such Owner's Building Lot as more fully provided herein. Each Owner is personally liable for Assessments, together with all interest, costs and attorneys' fees, and no Owner may exempt such Owner from such liability by a waiver of the use and enjoyment of the Common Areas, or by lease or abandonment of such Owner's Building Lot.

9.8 Estoppel Certificate. The Association, upon at least twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not, to the knowledge of the Association, a particular Building Lot Owner is in default under the provisions of this Declaration, and further stating the dates to which any Assessments have been paid by the Owner. Any such certificate delivered pursuant to this paragraph may be relied upon by any prospective purchaser or mortgagee of the Owner's Building

Lot. Reliance on such Certificate may not extend to any default as to which the signor shall have had no actual knowledge.

9.9 Special Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Bylaws or the Articles, written notice of any meeting called for the purpose of levying a Special Assessment, or for the purpose of obtaining a membership vote in connection with an increase in the Regular Assessment, shall be sent to all Members of the Association and to any person in possession of a Building Lot, not less than fifteen (15) days nor more than thirty (30) days before such meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total votes of the Association shall constitute a quorum. If such quorum is not present, subsequent meetings may be called subject to the same notice requirement, and the required quorum at the subsequent meetings shall be fifty percent (50%) of the quorum required at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

ARTICLE X: ENFORCEMENT OF ASSESSMENTS; LIENS

10.1 Right to Enforce. The Association has the right to collect and enforce its Assessments pursuant to the provisions hereof. Each Owner of a Building Lot, upon becoming an Owner of such Building Lot, shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorney's fees in addition to any other relief or remedy obtained against such Owner. The Board or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or the Board may exercise the power of foreclosure and sale pursuant to paragraph 10.3 to enforce the liens created hereby. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

10.2 Assessment Liens.

10.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Building Lot to secure payment of any and all Assessments levied against such Building Lot pursuant to this Declaration together with interest thereon at the maximum rate permitted by law and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including reasonable attorneys' fees. All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on such respective Building Lots upon recordation of a claim of lien with the Ada County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of delinquency and claim of lien except for tax liens for real property taxes on any Building Lot and Assessments on any Building Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

10.2.2 Claim of Lien. Upon default of any Owner in the payment of any Regular, Special or Limited Assessment issued hereunder, the Association may cause to be recorded in the office of the Ada County Recorder a claim of lien. The claim of lien shall state the amount of such delinquent sums and other authorized charges (including the cost of recording such notice), a sufficient description of the Building Lot(s) against which the same have been assessed, and the name of the record Owner thereof. Each delinquency shall constitute a separate basis for a notice and claim of lien, but any number of defaults may be included within a single notice and claim of lien. Upon payment to the Association of such delinquent sums and charges in connection therewith or other satisfaction thereof, the Association shall cause to be recorded a further notice stating the satisfaction or relief of such delinquent sums and charges. The Association may demand and receive the cost of preparing and recording such release before recording the same.

10.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association establishing the Assessment, its attorney or other person authorized to make the sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale permitted by law. The Board is hereby authorized to appoint its attorney, any officer or director of the Association, or any title company authorized to do business in Idaho as trustee for the purpose of conducting such power of sale or foreclosure.

10.4 Required Notice. Notwithstanding anything contained in this Declaration to the contrary, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such claim of lien has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Building Lot(s) described in such notice of delinquency and claim of lien, and to the person in possession of such Building Lot(s), and a copy thereof is recorded by the Association in the Office of the Ada County Recorder.

10.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Building Lot shall not be subordinate to the lien of any deed of trust or mortgage except the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Building Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in paragraph 10.6 with respect to a first mortgagee who acquires title to a Building Lot, the sale or transfer of any Building Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

10.6 Rights of Mortgagees. Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat the rights of the Beneficiary under any deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such deed of trust such Building Lot shall remain subject to this Declaration as amended.

ARTICLE XI: INSPECTION OF ASSOCIATION'S BOOKS AND RECORDS

11.1 Member's Right of Inspection. The membership register, books of account and minutes of meetings of the Board and committees of the Association shall be made available for inspection and copying by any Member of the Association or by such Member's duly appointed representatives, at any reasonable time and for a purpose reasonably related to such Member's interest as a Member at the office of the Association or at such other place as the Board of such Association shall prescribe. No Member or any other person shall copy the membership register for the purposes of solicitation of or direct mailing to any Member of the Association.

11.2 Rules Regarding Inspection of Books and Records. The Board shall establish reasonable rules with respect to:

11.2.1 Notice to be given to the custodians of the records by the persons desiring to make the inspection.

11.2.2 Hours and days of the week when such an inspection may be made.

11.2.3 Payment of the cost of reproducing copies of documents requested pursuant to this Article XI.

11.3 Director's Rights of Inspection. Every director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association, and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extracts and copies of documents.

ARTICLE XII: ARCHITECTURAL COMMITTEE

12.1 Creation. Within thirty (30) days of the date on which the Grantor first conveys a Building Lot to an Owner, Grantor shall appoint three (3) individuals to serve on Patagonia Subdivision Architectural Committee ("Architectural Committee"). Each member shall hold office until such time as such member has resigned or has been removed, or such member's successor has been appointed, as provided herein. A member of the Architectural Committee need not be an Owner. Members of the Architectural Committee may be removed by the person or entity appointing them at any time without cause.

12.2 Grantor's Right of Appointment. At any time, and from time to time, prior to ten (10) years after the recording date of this Declaration in which Grantor is the Owner of any of the Property, Grantor shall have the exclusive right to appoint and remove all members of the Architectural Committee. At all other times, the Association Board shall have the right to appoint and remove all members of the Architectural Committee. If a vacancy on the Architectural Committee occurs and a permanent replacement has not yet been appointed, Grantor or the Board, as the case may be, may appoint an acting member to serve for a specified temporary period not to exceed one (1) year.

12.3 Review of Proposed Construction. The Architectural Committee shall consider and act upon any and all proposals or plans and specifications submitted for its approval pursuant to this Declaration, and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Committee. The Board shall have the power to determine, by rule or other written designation consistent with this Declaration, which types of Improvements shall be submitted for Architectural Committee review and approval. The Architectural Committee shall have the power to hire an architect, licensed with the State of Idaho, to assist the Architectural Committee in its review of proposals or plans and specifications submitted to the Architectural Committee. The Architectural Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the habitat of the Common Areas, or appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association.

12.3.1 Conditions on Approval. The Architectural Committee may condition its approval of proposals or plans and specifications upon such changes therein as it deems appropriate, and/or upon the agreement of the Owner submitting the same ("Applicant") to grant appropriate easements to the Association for the maintenance thereof, and/or upon the agreement of the Applicant to reimburse the Association for the cost of maintenance, and may require submission of additional plans and specifications or other information before approving or disapproving material submitted.

12.3.2 Architectural Committee Rules and Fees. The Architectural Committee also may establish rules and/or guidelines setting forth procedures for and the required content of the applications and plans submitted for approval. Such rules may require a fee to accompany each application for approvals or additional factors which it will take into consideration in reviewing submissions. The Architectural Committee shall determine the amount of such fee in a reasonable manner. Such fees shall be used to defray the costs and expenses of the Architectural Committee, including the cost and expense of hiring an architect licensed by the State of Idaho, as provided above, or for such other purposes as established by the Board, and such fee shall be refundable to the extent not expended for the purposes herein stated.

- Such rules and guidelines may establish, without limitation, specific rules and regulations regarding design and style elements, landscaping and fences and other structures such as animal enclosures as well as special architectural guidelines applicable to Building Lots located adjacent to public and/or private open space.

12.3.3 Detailed Plans. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, landscape plans, drainage plans, elevation drawings and descriptions or samples of exterior material and colors. Until receipt by the Architectural Committee of any required plans and specifications, the Architectural Committee may postpone review of any plan submitted for approval.

12.3.4 Architectural Committee Decisions. Decisions of the Architectural Committee and the reasons therefore shall be transmitted by the Architectural Committee to the Applicant at the address set forth in the application for approval within thirty (30) days after filing all materials required by the Architectural Committee. Any materials submitted pursuant to this Article XII shall be deemed approved unless written disapproval by the Architectural Committee shall have been mailed to the Applicant within thirty (30) days after the date of filing said materials with the Architectural Committee.

12.4 Meetings of the Architectural Committee. The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time by resolution unanimously adopted in writing, designate a Architectural Committee representative (who may, but need not be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of variances pursuant to paragraph 12.9. In the absence of such designation, the vote of any two (2) members of the Architectural Committee, or the written consent of any two (2) members of the Architectural Committee taken without a meeting, shall constitute an act of the Architectural Committee.

12.5 No Waiver of Future Approvals. The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Architectural Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

12.6 Compensation of Member. The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder and except as otherwise agreed by the Board.

12.7 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

12.7.1 Upon the completion of any work for which approved plans are required under this Article XII, the Owner shall give written notice of completion to the Architectural Committee.

12.7.2 Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty (60) day period, specifying the particular noncompliance, and shall require the Owner to remedy the same.

12.7.3 If upon the expiration of thirty (30) days from the date of such notification, or any longer time the Architectural Committee determines to be reasonable, the Owner shall have failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon notice and hearing, as provided in the Bylaws,

the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of the announcement of the Board ruling unless the Board specifies a longer time as reasonable. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Limited Assessment against such Owner for reimbursement pursuant to this Declaration.

12.7.4 If for any reason the Architectural Committee fails to notify the Owner of any noncompliance within sixty (60) days after receipt of the written notice of completion from the Owner, the work shall be deemed to be in accordance with the approved plans.

12.8 Non-Liability of Architectural Committee Members. Neither the Architectural Committee nor any member thereof, nor its duly authorized Architectural Committee representative, shall be liable to the Association, or to any Owner or Grantee for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and to the Property generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of building, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of any plan or design from the standpoint of structural safety or conformance with building or other codes.

12.9 Variances. The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. However, no variances will be granted for construction of structures or Improvements, including without limitation manicured lawns, in the Common Areas. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Architectural Committee, and shall become effective upon recordation in the office of the County Recorder of Ada County. If such variances are granted, no violation of the covenants, conditions or restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Building Lot and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting such Owner's use of the Building Lot, including but not limited to zoning ordinances or requirements imposed by any governmental or municipal authority.

ARTICLE XIII: EASEMENTS

13.1 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Building Lot and such portion or portions of the Common Area adjacent thereto or as between adjacent Building Lots due to the unwillful placement or settling or shifting of the Improvements including but not limited to structures, walkways, bike paths, sidewalks and driveways constructed, reconstructed or altered thereon in accordance with the terms of this Declaration. Easements of encroachment shall be valid only so long as they exist, and the rights and obligations of Owners shall not be altered in any way because of encroachments, settling or shifting of the Improvements; provided, however, that in no event shall a valid easement for encroachment occur due to the willful act or acts of an Owner. In the event a structure on any Building Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Building Lot agree that minor encroachments over adjoining Building Lots that existed prior to the encroachment may be reconstructed pursuant to the easement granted by this paragraph.

13.2 Easements of Access. Grantor expressly reserves for the benefit of all the Property reciprocal easements of access, ingress and egress for all Owners to and from their respective Building Lots for installation and repair of utility services, for drainage of water over, across and upon adjacent Building Lots, and Common Areas, resulting from the normal use of adjoining Building Lots or Common Areas, and for necessary maintenance and repair of any Improvement including fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees and landscaping. Such easements may be used by Grantor, and by all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Building Lot or Common Area.

13.3 Drainage and Utility Easements. Notwithstanding anything expressly or impliedly contained herein to the contrary, this Declaration shall be subject to all easements heretofore or hereafter granted by Grantor for the installation and maintenance of utilities and drainage facilities that are required for the development of the Property. In addition, Grantor hereby reserves for the benefit of the Association the right to grant additional easements and rights-of-way over the Property, as appropriate, to utility companies and public agencies as necessary or expedient for the proper development of the Property until close of escrow for the sale of the last Building Lot in the Property to a purchaser.

13.3.1 Improvement of Drainage and Utility Easement Areas. The Owners of Building Lots are hereby restricted and enjoined from constructing any Improvements upon any drainage or utility easement areas as shown on the Plat of Patagonia Subdivision or otherwise designated in any recorded document which would interfere with or prevent the easement from being used for such purpose; provided, however that the Owner of such Building Lots and the Grantor, Association or designated entity with regard to the landscaping easement described in this Article XIII, shall be entitled to install and maintain landscaping on such easement areas, and also shall be entitled to build and maintain fencing on such easement areas subject to approval by the Association Architectural Committee, so long as the same would not interfere with or prevent the easement areas from being used for their intended purposes; provided, that any damage sustained to Improvements on the

easement areas as a result of legitimate use of the easement area shall be the sole and exclusive obligation of the Owner of the Building Lot whose Improvements were so damaged.

13.4 Rights and Duties Concerning Utility Easements. The rights and duties of the Owners of the Building Lots within the Property with respect to utilities shall be governed by the following:

13.4.1 Wherever utility house connections are installed within the Property, which connections or any portions thereof lie in or upon Building Lots owned by an Owner other than the Owner of the Building Lot served by the connections, the Owner of the Building Lot served by the connections shall have the right, and is hereby granted an easement to the full extent necessary therefore, to enter upon any Building Lot or to have their agent enter upon any Building Lot within the Property in or upon which said connections or any portion thereof lie, to repair, replace and generally maintain the connections as and when it may be necessary.

13.4.2 Whenever utility house connections are installed within the Property, which connections serve more than one Building Lot, the Owner of each Building Lot served by the connections shall be entitled to full use and enjoyment of such portions of said connections as service such Owner's Building Lot.

13.5 Driveway Easements. Whenever a driveway is installed within the Property which in whole or in part lies upon a Building Lot owned by an Owner other than the Owner of the Building Lot served, or installed to serve more than one Building Lot, the Owner of each Building Lot served or to be served by such driveway shall be entitled to full use and enjoyment of such other Building Lot as required to service such Owner's Building Lot or to repair, replace or maintain such driveway.

13.6 Disputes as to Sharing of Costs. In the event of a dispute between Owners with respect to the repair or rebuilding of utility connections or driveways, or with respect to the sharing of the cost therefore, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board which shall decide the dispute and, if appropriate, make an appropriate Assessment against any or all of the Owners involved on behalf of the prevailing Owner(s), which Assessment shall be collected and enforced in the manner provided by this Declaration for Limited Assessments.

13.7 General Landscape Easement. An easement is hereby reserved to the Association, its contractors and agents, to enter those portions of Building Lots, for the purpose of installing, maintaining, replacing and restoring exterior landscaping, and natural vegetation and habitat. Such landscaping activity shall include, by way of illustration and not of limitation, the mowing of lawns, irrigation, sprinkling, tree and shrub trimming and pruning, walkway improvement, seasonal planting and such other landscaping activities within the Property as such Association shall determine to be necessary from time to time.

13.8 Overhang Easement. There shall be an exclusive easement appurtenant to each Building Lot over the Common Areas for overhanging eaves, and for any projections from the buildings, which projections shall not extend beyond the eave line.

13.9 Maintenance and Use Easement Between Walls and Lot Lines. Whenever the wall of a structure, or a fence or retaining wall, constructed on a Building Lot under plans and specifications approved by the Architectural Committee is located within three (3) feet of the lot line of such Building Lot, the Owner of such Building Lot is hereby granted an easement over and on the adjoining Building Lot (not to exceed 3 feet from the Building Lot line) for purposes of maintaining and repairing such wall or fence and eaves or other overhangs, and the Owner of such adjoining Building Lot is hereby granted an easement for landscaping purposes over and on the area lying between the lot line and such structure or fence so long as such use does not cause damage to the structure or fence.

ARTICLE XIV: MISCELLANEOUS

14.1 Term. The easements created hereunder shall be perpetual, subject only to extinguishment by the holders of such easements as provided by law. The covenants, conditions, restrictions and equitable servitudes of this Declaration shall run until December 31, 2036, unless amended as herein provided. After December 31, 2036, such covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years each, unless extinguished by a written instrument executed by Members holding at least three-fourths (3/4) of the voting power of the Association and such written instrument is recorded with the Ada County Recorder. Further provided that the Association shall not be dissolved without the prior written approval of the City of Kuna and Ada County Highway District, such consent not to be unreasonably withheld provided that a responsible successor organization shall agree to perform those maintenance responsibilities arising from applicable city and county governmental requirements.

14.2 Amendment.

14.2.1 By Grantor. Except as provided in paragraph 14.3 below, until the recordation of the first deed to a Building Lot in the Property, the provisions of this Declaration may be amended, modified, clarified, supplemented, added to (collectively, "amendment") or terminated by Grantor by recordation of a written instrument setting forth such amendment or termination. Any amendment affecting only a portion of the Property may be made by Grantor by an amendment to this Declaration at any time up to the recordation of the first deed to a Building Lot in such applicable portion of the Property.

14.2.2 By Owners. Except where a greater percentage is required by express provision in this Declaration, the provisions of this Declaration, other than this Article XIV, may be amended by an instrument in writing signed and acknowledged by the president and secretary of the Association certifying and attesting that such amendment has been approved by the vote or written consent of Owners representing more than fifty percent (50%) of the votes in the Association, and such amendment shall be effective upon its recordation with the Ada County Recorder. Any amendment to this Article XIV shall require the vote or

written consent of Members holding ninety-five percent (95%) of the voting power of the Association.

14.2.3 Effect of Amendment. Any amendment of this Declaration approved in the manner specified above shall be binding on and effective as to all Owners and their respective properties notwithstanding that such Owners may not have voted for or consented to such amendment. Such amendments may add to and increase the covenants, conditions, restrictions and easements applicable to the Property but shall not prohibit or unreasonably interfere with the allowed uses of such Owner's property which existed prior to the said amendment.

14.3 Mortgage Protection. Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat or render invalid the rights of the beneficiary under any first deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after foreclosure of any such first deed of trust such Building Lot shall remain subject to this Declaration, as amended.

14.4 Notices. Any notices permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after the same has been deposited in the United States mail, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the residence of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association, as provided in this paragraph.

14.5 Enforcement and Non-Waiver.

14.5.1 Right of Enforcement. Except as otherwise provided herein, any Owner of any Building Lot shall have the right to enforce any or all of the provisions hereof against any property within the Property and Owners thereof.

14.5.2 Violations and Nuisances. The failure of any Owner of a Building Lot to comply with any provision hereof, or with any provision of the Articles or Bylaws of the Association, is hereby declared a nuisance and will give rise to a cause of action in the Grantor, the Association or any Owner of Building Lot(s) within the Property for recovery of damages or for negative or affirmative injunctive relief or both. However, any other provision to the contrary notwithstanding, only Grantor, the Association, the Board, or a duly authorized agent of any of them, may enforce by self-help any of the provisions hereof only if such self-help is preceded by reasonable notice to the Owner.

14.5.3 Violation of Law. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth in this Declaration and any or all enforcement procedures in law and equity.

14.5.4 Remedies Cumulative. Each remedy provided herein is cumulative and not exclusive.

14.5.5 Non-Waiver. The failure to enforce any of the provisions herein at any time shall not constitute a waiver of the right to enforce any such provision.

14.6 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the Property. This Declaration shall be construed and governed under the laws of the State of Idaho.

14.6.1 Restrictions Construed Together. All of the provisions hereof shall be liberally construed together to promote and effectuate the fundamental concepts of the development of the Property as set forth in the recitals of this Declaration.

14.6.2 Restrictions Severable. Notwithstanding the provisions of the foregoing paragraph 14.6.1, each of the provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision herein.

14.6.3 Singular Includes Plural. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each including the masculine, feminine and neuter.

14.6.4 Captions. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions hereof.

14.7 Successors and Assigns. All references herein to Grantor, Owners, Association or person shall be construed to include all successors, assigns, partners and authorized agents of such Grantor, Owners, Association or person.

IN WITNESS WHEREOF, Grantor has set its hand this 2nd day of November, 2016.
